# THE GROUNDS

## **LA ROTONDA**

The outside space adjacent, called the “Rotonda” is a very typical area of the park measuring about 2000 m<sup>2</sup>, intended for accommodating and catering for large number of participants.

## **LA PIAZZETTA**

Outside of Sala Scuderia, the adjacent “Piazzetta” is a magnificent courtyard of around 450 m<sup>2</sup> with full “chianca” paving, featuring the original dovecote and water trough for horses.

## **IL PARCO**

The park is the area opposite the Sala Federico II and the Villa’s main entrance. It’s very evocative.

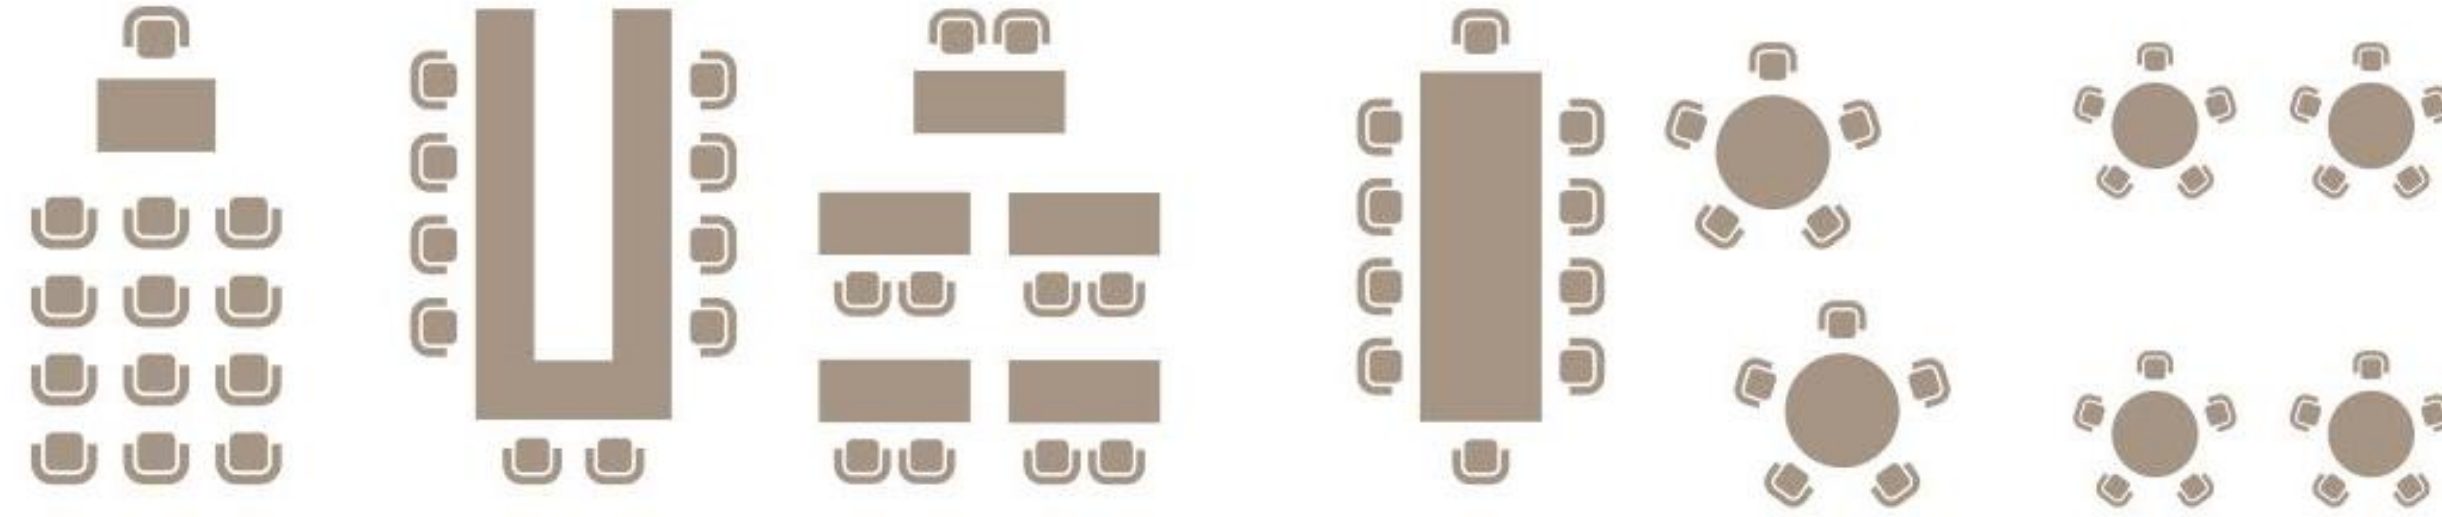

## **LA PISCINA**

A new relaxation space, characterized by its vast lawn adjacent to design pool. The perfect place for an exclusive gala dinner.

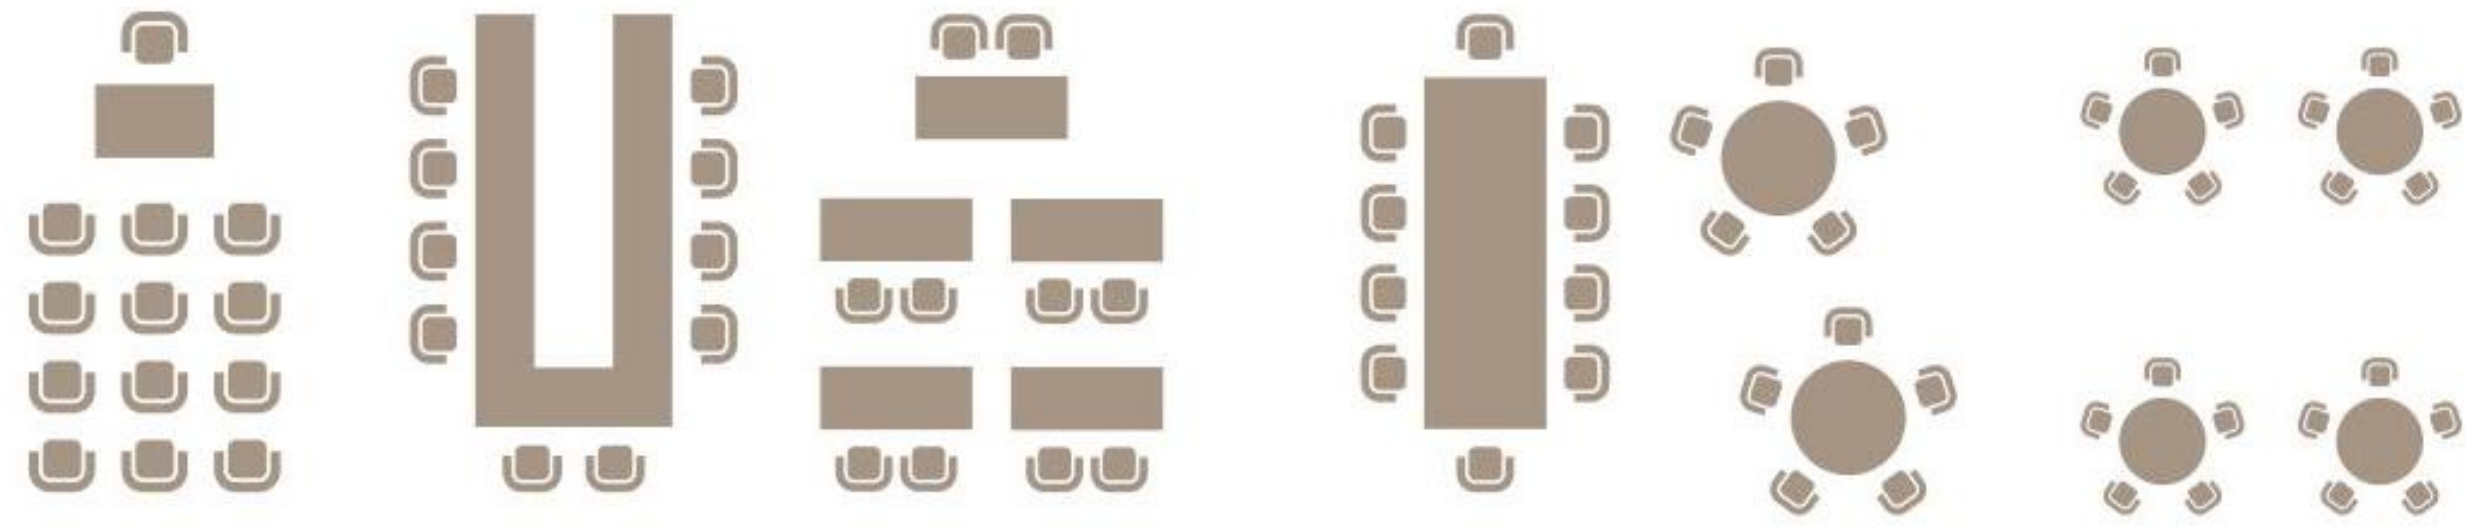

The background is a solid light beige color. It features a decorative arrangement of stylized brown leaves and circles. The leaves are scattered around the text, with some pointing upwards and others downwards. There are also several solid brown circles of varying sizes interspersed among the leaves.
